Notes...

What did you learn that surprised you the most?

What did you like best about what you heard?

After listening to the presentation, who do you know who would benefit from the Arbonne products or the Arbonne business –or BOTH?

On a scale of 1-5 with 1 being, “I never want to hear about Arbonne again” and 5 being, “I’m ready to start this business right now” --- Where do you see yourself?

Please write down any additional questions you may have after listening to the call.
